#### Dear Potential Applicant,

Thank you for expressing an interest in coming to join Project L.I.F.E. as a long-term staff member. There are a few items that I would like you to be aware of before beginning the application process.

1. In the event that you are accepted, there will be a 3-month probation period starting upon your arrival in Thailand.
2. During your first 12-18 months in Thailand you will be in an internship program which is designed to help you get a firm grasp of the Thai language and culture, as well as to learn effective ways of ministering to the Thais. Successful completion of this phase is a prerequisite for final acceptance as a “long-term” staff member. The minimum language requirement is the 6<sup>th</sup> grade government language exam or equivalent.
3. If you apply for a specific ministry, the team leader of that ministry will decide whether he/she can accept you as intern staff or whether it would be better for you to receive your intern training at another location in Thailand first. If you are not applying to a particular ministry, Project L.I.F.E. will submit to you one or more options for your internship phase.
4. If you seek to pioneer a new ministry, you must be willing to serve an existing team for your internship or until you are released into that new ministry. In all situations, a strategic plan for a new ministry must be submitted to and approved beforehand by Project L.I.F.E. leadership and the Project L.I.F.E. Board.
5. Please be aware that you will not be able to apply for a Project L.I.F.E. work permit until after your internship phase is finished and you are connected with a team (or beginning a new ministry). The Project L.I.F.E. National Office will do its best to help you obtain a one-year visa for your internship phase; however, with this non-immigrant visa, it will be necessary for you to leave Thailand and re-enter the country every 90 days. At the end of the year, a new visa must be obtained by applying again in your home country or Australia. ***(The Thai Authorities approval of the visa application is not guaranteed.)*** After your internship phase is finished, if you continue to work longterm with Project L.I.F.E., we may apply for a work permit for you which, if granted, means you will not have to go in and out the country anymore.

We ask for your patience in the application process. We want to make sure that everything is in order for your internship and ask that you please wait to hear from us concerning your official acceptance before making any travel plans. **Please scan your completed Project L.I.F.E. forms and send the scanned forms to us via email to [office@projlife.com](mailto:office@projlife.com)**

Thank you again for your desire to come serve the Lord here in Thailand, and feel free to contact Project L.I.F.E. office with any questions at [office@projlife.com](mailto:office@projlife.com)

Blessings,  
Project L.I.F.E. Director

## **OUR BASIC PHILOSOPHY:**

Thank you for prayerfully considering involvement with Project L.I.F.E. Foundation. We want to give you some understanding of our calling as a foundation. We are relationally associated with Youth With A Mission Thailand and concur with their values. They are:

### ***WE OPERATE AS A TEAM***

We have regular team meetings not only for better communication and logistics, but also for teaching, prayer, and personal spiritual nurturing, and accountability. Attendance is expected. We believe that a spirit of accountability welcomes correction, encouragement, and openness in our corporate and personal lives.

### ***GOD HAS CALLED PROJECT L.I.F.E. TO PRAY, WORK AND INTERCEDE FOR THE NATIONS, TO BE JESUS' HANDS AND HEART TO THE POOR AND NEEDY OF THAILAND***

### ***OUR MISSION OPERATES UNDER AUTHORITY***

We work with the Thai government and therefore submit to their laws, guidelines and policies. As a Thai Foundation with a Board, we are accountable to the Board as well as to donors who support us personally and the projects we are involved in. We also cooperate closely with various international agencies and communicate and coordinate accordingly. We confirm our need to be in submission to those we serve, those who are over us in the Lord, and those we work with as co-laborers.

### ***OUR PRIORITY IS TO SERVE GOD AND OTHERS***

We are dedicated to being relationship-oriented in our living and working together. We desire to lead lives of transparency, humility, open communication and 'keeping short accounts'. People watch how we live and relate together and know we are Christians by that love. We come from many nations, cultures and backgrounds, but our common purpose is to know God and make him known.

(After reading these values, please sign below and return to us with your application.)

I have read the above and acknowledge the values under which I will be serving if accepted.
